Principal's Message

Dear families,

Welcome back!

It was lovely to see all the children and staff return to school after the holidays. The students and staff are refreshed and happy to be back. They have connected with their peers well and quickly settled into the routines of the classroom again.

There are lots of events happening this term including 3\4 camp, inter school sports, School Photos and lots more! Whenever we organise events that have a cost attached, please rest assured we do our very best to keep costs as low as possible. If ever your family is experiencing financial hardship, please speak to Bree in the office or Lisa or myself.

Term 2 is also where we report student progress and achievement through our written reports, student portfolios and our student led conferences, which will be held on Wednesday 26th June.

You can keep track with dates and events by clicking on the Calendar in Xuno.

Year 6/7 transition

An important note is being sent home today to Yr 6 students with information on the transition process between Year 6 and Year 7. If you have any questions about the process please see Miss Kate, or if you want to discuss secondary school options for your child, please make a time to see me.

Assembly Presentations

Class presentations at Assembly will be back from next week, with Room 14 starting us off. Parents are most welcome to attend assemblies

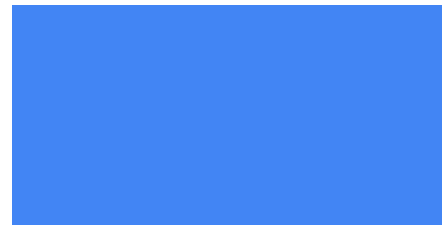

Have a great weekend everyone!

Year 3 and Year 4 Cooking Experience

On Wednesday all the grade 3/4s did cooking in the staffroom as part of our Inquiry WOW session about different cultures and celebrations. We cooked Tabbouleh which is a Lebanese salad. First, we cut the tomatoes, onions, parsley and cucumbers then we added the cous cous. Next, we added all the ingredients together and mixed it. The grade 3/4s enjoyed eating it!
